

# UNLEASH THE POWER OF AI

**JOIN US FOR AN IMMERSIVE PROGRAM THAT DIVES INTO  
THE DYNAMIC WORLD OF AI-POWERED TOOLS!**

# ABOUT THE FOUNDERS

**KASHISH BANSAL**

CO-FOUNDER

A Computer Science graduate from IIT Delhi, passionate about AI and ML technology

[kashish@expressai.in](mailto:kashish@expressai.in)

**RAGHAV JINDAL**

CO-FOUNDER

AI Enthusiast, business head, and has a keen eye for opportunities that can help improve the society

[raghav@expressai.in](mailto:raghav@expressai.in)

[support@expressai.in](mailto:support@expressai.in)

[+91-9478167951](tel:+91-9478167951)

# GOALS AND OBJECTIVES

## Revolutionizing the Way We Teach

At Express AI, we believe that the future of education is in AI-powered tools. We aim to revolutionize the way we teach by providing students with the skills and knowledge to leverage the power of AI and produce an army of Ai Warriors

# OUR WORKSHOPS

## **GenAi tools workshop**

A concise guide for all students, offering hands-on genAI tools knowledge to navigate their educational journey with practical skills and confidence

## **Coding workshop**

A concise guide for advanced students, offering hands-on Coding knowledge through project building in multiple customized sessions

## **Year long course (Ai + Coding)**

A year-long genAI and Coding course for holistic personal and professional growth, filled with practical and theory sessions covering essential AI knowledge

# COURSE CURRICULUM

[All projects link here](#)

## Module 1: Coding

### Topics covered:

- Python
- HTML/CSS/JavaScript

**Learning:** 12+ hours  
**Projects:** 2+ hours

### Projects:

- [Calculator](#)
  - [Note taking website](#)
- 

## Module 2: Gen Ai Tools

### Topics Covered:

- Text Generation
- Image/Video Generation
- Website Building
- PPT and Music creation

**Learning:** 8+ hours  
**Projects:** 2+ hours

### Projects:

- Publically hosted Personal website having components from all the above tools
- 

## Module 3: Intro to ML

### Topics covered:

- Basics of ML
- Neural Networks(NN) and their uses

**Learning:** 13+ hours  
**Projects:** 3+ hours

### Projects:

- Class activity to understand NN and implement it in Python
  - [Rock-paper-scissors Ai game](#)
- 

## Module 4: Ethics in AI

### Topics Covered:

- Bias in Ai
- Best Practices for using Ai
- Identifying ethical/non-ethical use cases

**Learning:** 2+ hours  
**Projects:** 1+ hours

### Projects:

- Quizzes on the above topics

# BENEFITS TO STUDENTS

## **Enhanced Digital Literacy**

AI and coding workshops empower students with essential skills preparing them for success in our tech-driven world

## **Future-Ready Skills**

Teaching AI and coding equips students with skills that are in high demand in the job market, making them more employable and adaptable in the future

## **Critical Thinking and Problem-Solving**

These workshops encourage critical thinking and problem-solving abilities, which are valuable in various aspects of life, not just in coding and AI

## **STEM Engagement**

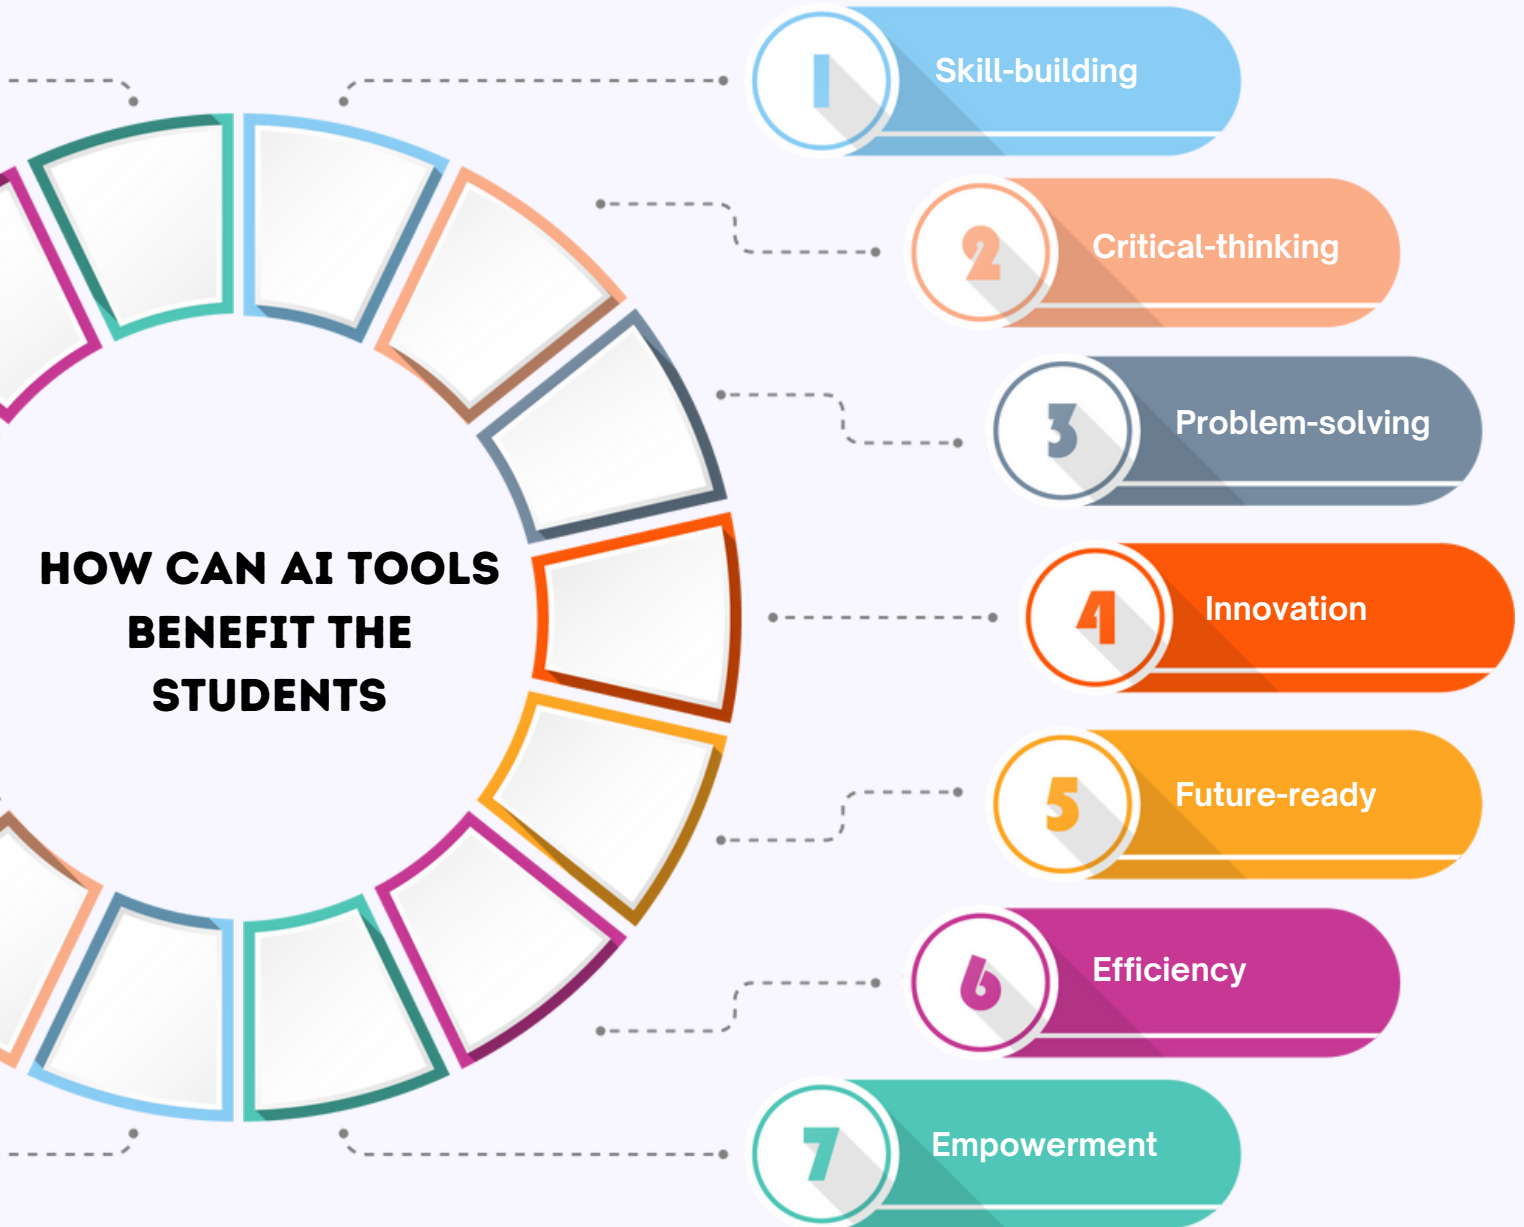

Schools can stimulate interest in STEM subjects, helping students excel in science, technology, engineering, and mathematics

## **Cross-Disciplinary Learning**

AI and coding workshops encourage cross-disciplinary learning, bridging the gap between different subjects and promoting a holistic education

Incorporating AI tools and coding workshops into the school curriculum can truly enrich the educational experience and equip students with the skills they need to excel in a rapidly evolving world. By partnering with ExpressAi, schools can ensure that their students receive top-notch education in these critical areas

# WHY CHOOSE US

At Express AI, experience our AI expertise-led courses that blend technology and personal interaction for an immersive learning journey towards an unparalleled future

“Artificial intelligence is the future, and the future is here”

**Dave Waters**

Professor, University of Oxford

## Stand Out in the Top 1%

By choosing ExpressAi, your school pioneers advanced learning in India, placing it among the top 1% of institutions embracing cutting-edge education

## Exclusive Partnership

Join ExpressAi as the top provider of advanced AI courses for North Indian schools. With a top-tier team, we guarantee exceptional support and educational excellence

# **CURIOUS ABOUT THE IMPACT OUR WORKSHOPS COULD HAVE ON YOUR SCHOOL?**
